

# ALL THE INGREDIENTS YOU NEED FOR A HIGHLY REWARDING, POST-HARVEST INSPECTION AND SERVICE:

- ✓ Expertly trained engineers
- ✓ Genuine manufacturer parts
- ✓ Guaranteed peace-of-mind
- ✓ A £100 Harvester voucher on us\*

Ensure peak harvest machinery performance for 2025 with our trusted winter servicing. Boost the efficiency, safety and longevity of your equipment, whilst minimizing costly downtime in the field.

#### \*To qualify for this offer:

- Book a wet service and inspection for your combine, forager, header or big square baler by 30.11.24
- We will carry out the service, inspect the machine using a 300-point checklist and provide recommended and required remedial work, before invoicing this stage.
- We will agree the remedial work with you, **which we'll undertake at preferential terms if booked within one month of your initial Service invoice.**
- Once both jobs are invoiced, you'll receive a £100 Harvester restaurant voucher.

## THE T H WHITE DIFFERENCE

Our expert technicians ensure year-round reliability for all makes of farm machinery. We offer on-site or workshop servicing throughout the South & South West of England, using advanced diagnostics and genuine parts with a 12-month warranty.

As an authorised dealer, we invest in the future through apprenticeships and mandatory manufacturer training, ensuring top-tier support and care for you and your equipment. Trust us to value your machine as much as you do.

## EXTENDED PAYMENT TERMS

We also offer extended payment terms (subject to credit approval) and fixed price service contracts as well. Don't worry if you didn't take a fixed price service contract at the time of purchase, talk to us about this option now.

SCAN ME

Arrange a harvest equipment service quickly and easily by calling your local T H WHITE service centre here, or book online: [thwhiteagriculture.co.uk/get-in-touch](https://thwhiteagriculture.co.uk/get-in-touch)

Now just choose who to take out to dinner!

## AND REMEMBER...

Whilst this Harvester offer is ONLY available on combines, foragers, headers and big square balers, we also service tractors, telehandlers and your full range of farm machinery.

**Conditions relating to our Post Harvest Inspection & Service of Harvester equipment over the winter months:** Wet Service & Inspection orders booked before 30 November 2024 qualify for our Harvester voucher, provided the required remedial work is booked within a month of the original service invoice and both inspection and remedies are invoiced for voucher eligibility. Note: up to 300-point check used dependant on model. T H WHITE will carry out the remedial works AT ANY TIME during the winter months to enable best use of staff time and planning of workload. If additional work over and above the confirmed order is needed, your agreement will be sought before this work is carried out. A small surcharge may be added to non-franchised machinery. Payment for work done will be in accordance with normal trading conditions, unless deferred payment has been agreed. All prices are quoted ex-VAT for work conducted in our workshops. Travel expenses apply for service activities conducted on farm. Each business customer is eligible for a maximum of one £100 Harvester restaurant voucher, subject to the booking and invoicing terms above. Harvester restaurant vouchers will be sent to customers once full payment for initial service and remedial works is received.
